## **VISION**

To become a preferred construction company in providing good quality service.

## **MISSION**

We enhance business operations of our clients by providing a professional service that is based on good business ethics.

## **MOTTO**

*Pegsvill housing the Nation.*

## **Background**

Pegsvill Building Construction cc. was first registered in 2003 after one of the family members worked for different big construction companies. It is a 100% black owned company. The director and some family members decided to start up their own company in building construction. The company is based in Kuruman (Northern Cape). The primary objective of the company is to provide good quality construction work or service. Our company is registered with Construction Industry Development Board (CIDB).

## **Services**

Our main focus is in the following services:

- Building maintenance and alterations
- Plastering
- Tiling
- Painting
- Carpeting
- Carpentry
- Ceiling fitting and roofing
- Glazing
- Paving
- Plumbing
- Rock art

- Thatching
- Electrical installations and maintenance
- Civil works/concrete work and water reticulation
- Supply of agricultural products and agricultural development (e.g. Fencing)
- Supply of office materials and equipment

## OBJECTIVES

Short-term goals of the company include the following:

- To lead in building maintenance and general construction work around the Kuruman area and its environs.
- To attract 60 % more clientele.

Long- term goal include:

- To expand business to other provinces in South Africa.

## The TEAM

The company is managed by one managing member.

**Mr. Katlholo Mosiapoa** is the managing member of the company. Mr. Katlholo Mosiapoa has vast experience in the communication business and project management. He worked for different government departments and the private sector. He has a diploma in Production and Supervision, Certificate in Fundamental Management and a Project Management Certificate from RAU. He is a qualified auctioneer and an estate agent. He has done a short course in construction management.

## STRATEGIC ALLIANCE

Pegsvill Building Construction has a good working relationship with the following company due to their experience and expertise in their field.

1. **Gomotsegang Consultancy:** they specialise in environmental management, EIA, writing of environmental policies and they have done some work for government departments and municipalities.
